

SATSA OFFERING TRACKING ASSISTANCE REGARDING OPERATOR PERMIT ISSUES: 2019-01-24

SATSA is offering TRACKING assistance to non-members regarding Operator Permit issues. In the interim, SATSA will keep pushing the operating permit issue as they have both NDT and TBCSA backing the industry, and hopefully there will be some forward movement soon.

- Hannelie du Toit will keep updating this page. Should you be keen to get on the TRACKING list, please email her, but PLEASE provide her with the following details:
- Company Name Company
- Registration Number Contact Details (Contact Person, Tel/Cell, Email)
- NPTR Accreditation Number and valid from and to dates (if you are accredited)
- Type of Application including number of vehicles (i.e. New OL, OL Renewal, Accreditation
- Renewal of Accreditation, Change of Details, Transfer, etc.)
- Date application was submitted to NPTR Application/Reference Number (if received)
- Status of your application (if you know)
- Challenges faced with your application including requirements or
- Criteria that you believe might not be relevant
